

Leash Law and Clean Up Reminder

To ensure the safety of all and to follow Dallas City Code –

- **Pets must be kept on a leash when in the park common area at all times.**
- **Clean up after your pets. Bags are provided for removal of all excreta.**

Unleashed animals in the park discourage others from using the park whether to play or walk their own pets. The park common area is shared space which everyone - and their pets - can enjoy provided we are considerate of one another.

Dallas City Code

It is a violation of Dallas City Code, Chapter 7, Section 7-5 and Section 7-29, for the owner or harbinger of any animal to fail to restrain the animal in a fenced yard, an enclosed structure, or by a leash at all times. A person found guilty of such a violation is subject to a fine ranging from \$25 to \$2,000.

It is a violation of the Dallas City Code, Chapter 7, Section 7-21.2, for the owner or harbinger of a dog to knowingly permit, or by insufficient control, allow a dog to defecate in the city and not immediately, and in a sanitary manner, remove and dispose of all excreta deposited on public or private property by a dog. A person found guilty of such a violation is subject to a fine ranging from \$25 to \$199.
