Welcome to Holiday Park Homeowners Association!

My name is John Kelley; I am the Welcome Person for Holiday Park Homeowners Association (HPHA) and a neighbor living on Terrace Lawn Circle. Please feel free to contact me if you have any questions about HPHA.

Hopefully, you are aware that the house you recently purchased is included in HPHA. HPHA is a mandatory homeowners association composed of 120 homes, which surround a nine-acre private park. The park grounds, swimming pool, pavilion, tennis and basketball courts are all maintained by either association members volunteering their time or outside workers paid by HPHA, i.e., paid from our homeowner dues.

Along with this letter I have included our Welcome Packet. The Welcome Packet should answer many of your questions, and make you aware of the typical “dos and don’ts” about HPHA; however, please call me if you have any questions.

At your convenience, please give me your phone number and email address so that you will receive notices regarding social activities, crime alerts, or other issues concerning HPHA.

Again, welcome to Holiday Park!

Sincerely,

John Kelley
